

I am a K-LOVE listener and resident of Cook county. It has come to my attention that the FCC is considering LPFM translators which could effectively make inaccessible my K-LOVE 94.3 radio station.

K-LOVE 94.3 and The FISH are the only two radio stations I listen to. The FISH was recently purchased and it is my understanding that they will be changing from Christian format to yet another 80's format.

This leaves K-LOVE as my only accessible and much adored Christian radio station. The value in K-LOVE is it also appeals to contemporary Christians and new believers, including teenagers,.

As a public service K-LOVE provides not only Christ-centered worship music but valuable services such as on call counselors for people in crisis.

K-LOVE was key in my becoming a Christian and learning more about living in faith and developing myself to become a better person, contributing to various charities and volunteering.

I also consider K-LOVE an advocate to my freedom of religion. In denying access to K-LOVE you are not removing one of numerous rock, 80's or talk show formats, you are removing the support system for many people in the Cook county area.

As a member of a large church I cannot tell you how many times I hear the words K-LOVE in reference to people coming to church for faith or help in marital, alcohol or drug problems., It isn't just a radio station...its sort of a Christian support group in a sense.

PLEASE DON'T TAKE OUR K-LOVE!  
God Bless,
